

## REGENT PRE-FLASHED SKYLIGHT BASES

### SUIT VELUX® FCM™, VCM OR VCS SKYLIGHTS

#### > SKYLIGHT BASES INCORPORATE EXCLUSIVE REGENT PRESS-FORMED FLASHINGS

Models are available to suit all VELUX® flat roof skylights. VELUX® Skylights satisfy AS3959 - 2009 requirements up to BAL40. Most sizes can be supplied incorporating Regent's exclusive press-formed Zinalume® flashing systems reducing installation time and reliance on sealants.

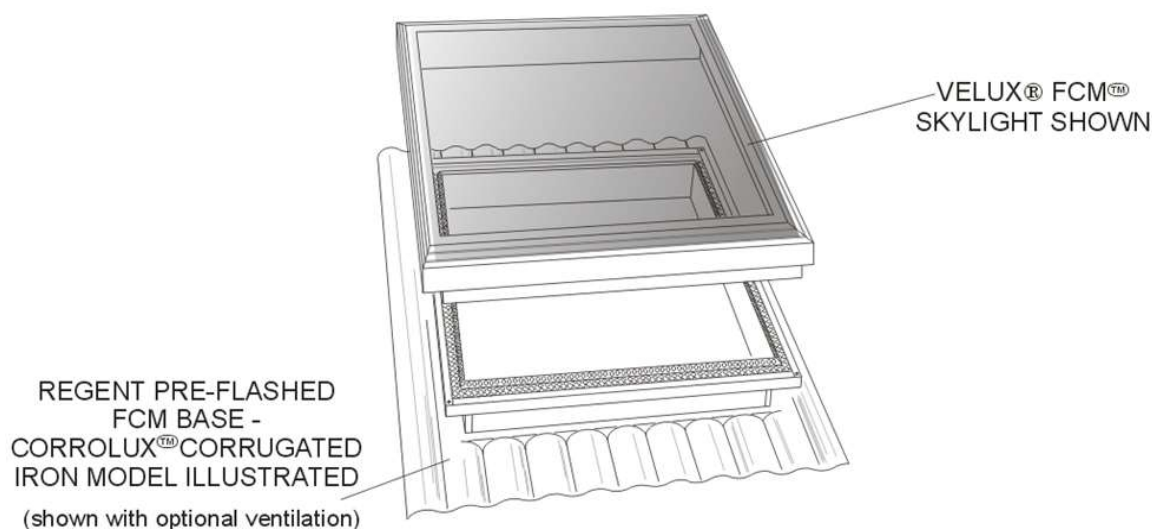

#### > VENTED OR NON-VENTED MODELS AVAILABLE

Regent's exclusive design allows the opportunity of providing static ventilation for an otherwise unvented skylight. If vented, Regent base flashings must be fitted with special ventilation mesh in Bush Fire Areas.

#### > COLOUR MATCHING

Skylight bases can be supplied with a painted finish to suit standard Colorbond® colours. Special colour matches are also available on request.

### REGENT BASES MAKES VELUX® INSTALLATION EASY AND INEXPENSIVE.

#### SELECTION CHART

VELUX® MODEL	SIZE	CORROLUX™ IRON (CLX)	CORRUGATED IRON (CIS)	LEAD FREE TILE (ZTS)	UNIVERSAL METAL DECK	FLASHED METAL DECK (FSDS)
